Fixes a number of bugs. If you have it installed, the changelog is also present for your convenience. We are very happy to announce the release of the Call of Pripyat expansion for the first-person shooter S.T.A.L.K.E.R.: Clear Sky. The game, in which you are looking for the source of the radiation poisoning of the people of Prypiat and uncover its secret, is the spiritual successor of the original game. The expansion, composed of 5 levels, will be available on June 6. It is impossible to list all the bugs fixed in the update. To find out about them, read the change log. We also appreciate your feedback! We are very happy to announce the release of the Live Installer for S.T.A.L.K.E.R.: Clear Sky. The Live Installer allows you to install the game from a CD-ROM without installing anything on your hard drive. If you own the current version of the game, you already have it. If not, you can download it from our website. We are very happy to announce the release of the Update 2 for S.T.A.L.K.E.R.: Clear Sky. The update, composed of 5 new levels, is already available for download. We are working on the update to the game's expansion, and it will be released in the near future. The hotfix contains a number of bugs. If you have installed the game or its expansion, the changelog is available for your convenience. We also appreciate your feedback! The hotfix has been released. The game contains a number of bugs and a lot of incomplete functions. If you find any problems, ask them here in the comments section of the post, send us your feedback via email or find a bug here. We are very happy to announce the release of
